

NAVIGATING THE FUTURE: AN INTRODUCTION TO AI & DIGITAL CITIZENSHIP

Presented by ACTUA

October 14, 2026

2:30 PM – 3:30 PM

Room: 212

Job Seekers, Students

About Workshop:

Demystify Artificial Intelligence (AI) with Actua! With the rise of AI, individuals encounter new opportunities and challenges related to privacy, data use, misinformation, and responsible online participation. In this session, get ready to build a solid understanding of AI and explore how to navigate it thoughtfully and ethically in your own education and career.

Presenters:

- Mikayla Ellis, Director of Outreach – Actua
- Lauren MacDonald, Outreach Coordinator – Actua

Attend this workshop for a
chance to WIN A DOOR PRIZE!
