

BUILDING BETTER SKILLS: USING VR TO TRAIN

Presented by Ontario Building Trades

October 23, 2025

11:30 AM – 12:30 PM

Room 211

About Workshop:

Join us for *Building Better Skills: Using VR to Train the Next Generation of Construction Tradespeople*, an interactive discussion on trade careers. Learn about opportunities, training pathways, and support available to help you get started. Hear from industry professionals and community members about building successful trade careers.

Presenters and Speakers:

- Richard Hayter – Director, Community Relations of Eastern Ontario and Western Quebec Building Trades Council
- Saleem Kahn – Interior Finishing Systems Training Centre

Workshop Room 211 is sponsored by
Eastern Ontario & Western Quebec
Building Trades Council
